

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

April 3, 2009

Permit Number: OCRM-09-034-R
Permit ID: 66475

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: The City of Charleston
C/O Davis & Floyd Inc
PO Box 61599
Charleston SC 29419-1599

LOCATION: On and adjacent to Cooper River at Market & Concord Streets, Downtown Charleston, Charleston County, South Carolina. TMS#: 459-00-00-009.

WORK: The work as proposed and shown on the attached drawings consists of constructing a tidal outfall as part of the Market Street Drainage Improvement Project. Specifically the outfall structure will be 22.5' long by 9.50' wide at the end of Market Street. This outfall will be used as a gravity by-pass outfall in the event that the pump system fails. The work as proposed is part of an on-going City of Charleston drainage project for the purposes of alleviating flooding in the Market Street Vicinity. Please Note: The Army Corps of Engineers has approved this project under their Nationwide Permit # 7.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before May 3, 2009. For further information please contact the project manager for this activity, Tess Rodgers at 843-953-0233.
